To Whom it May Concern:

I am writing this letter in support of construction of a roundabout on NE Highway 75 & Main St. Macy, NE. I have lived in this community for most of my life and for as long as I can remember, this intersection has been a danger to all those that travel these roads. Especially to those merging on to Highway 75 from Main St. because of the blind spot. Highway traffic does not slow down for this intersection. I believe a roundabout will make merging on to the highway safer and more efficient.

We are a small community, but a strong and proud community. We care about every individual that travels these roads and public safety is a major concern. Please accept this letter of support and seriously consider granting the funds for construction of this project.

Respectfully,

Norton Parker
