Secretary of Transportation

Subject: Letter of Commitment

Dear Mr. Duffy,

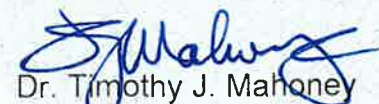

This letter confirms that the City of Fargo is applying for Bridge Investment Program (BIP) funding for the 12th Avenue/15th Avenue North bridge replacement across the Red River of the North. The bridge crosses the Red River into the City of Moorhead. We are aware that BIP funding requires a 20% local contribution to the project budget. With this application being a multi-state project, both the City of Fargo and City of Moorhead will be contributing to the cost share, with the City of Fargo being the primary applicant and responsible for carrying out the grant award. The following is a summary of the projected budget:

BIP funding	\$ 20,320,000
City of Fargo	\$ 2,540,000
City of Moorhead	<u>\$ 2,540,000</u>
Total Budget	\$ 25,400,000

It is understood that the total project cost projection is based on preliminary estimates and may be subject to change. The City is prepared to satisfy its match with cash from local funds.

Thank you in advance for your time and consideration.

Sincerely,

Dr. Timothy J. Mahoney
Mayor
