

MOVING GUNNISON COUNTY FORWARD

INVESTING IN SAFER ROADS AND BRIDGES

GUNNISON COUNTY

Gunnison County Roads & Bridges Initiative

This November, Gunnison County voters will be asked to weigh in on a half-cent sales tax increase.

If the measure passes, it will help the County to develop dedicated funding for Roads and Bridges.

How much will the half-cent sales tax cost me per year?

If you purchased ALL of the items below in a given year, your cost would **total \$83.15**.

The annual cost of vehicle maintenance due to poor road conditions in Colorado is **\$851***, much more than the cost of this tax.

**Source: The Road Information Program (TRIP), non-profit transportation research group.*
