The Honorable Sean Duffy
Secretary of Transportation
U.S. Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary Duffy:

I request your careful consideration of the Omaha Tribe of Nebraska's application to the U.S. Department of Transportation's Better Utilizing Investments to Leverage Development (BUILD) grant program.

The Tribe is advancing a shovel-ready transportation safety project in Macy, Nebraska, including construction of a roundabout at the intersection of Nebraska Highway 75 and Main Street. This intersection serves as the primary entry into the community and presents ongoing safety concerns, particularly for students who walk across Highway 75 to access Nebraska Indian Community College. The project would significantly improve pedestrian safety by slowing traffic and providing controlled crossing opportunities, along with lighted pedestrian pathways along Main Street.

Thank you for your consideration.

Sincerely,

Deb Fischer
